The Central Bank of Trinidad and Tobago ("the Central Bank") refers to our Circular Letter dated June 30, 2016 (REF: CB-DEP-GOV-05/2016), wherein commercial banks were advised, *inter alia*, that information regarding certain fees and charges would be standardized and published on the Central Bank's website.

In this regard, the Central Bank wishes to advise that a Comparative Schedule of Fees and Charges, as at June 30, 2016, has now been posted on the Central Bank's website and may be accessed via http://www.central-bank.org.tt/fees_and_charges.

The Central Bank takes this opportunity to remind commercial banks that the CB-50 return (Schedule of Fees and Charges) must be completed annually, using data as at June 30 of each year, and submitted to the Central Bank within twenty (20) working days of that date. Additionally, all commercial banks must ensure that information related to fees and charges on their website is kept up-to-date.
