Our client, the Central Bank of Trinidad and Tobago, invites applications for the position of:

Senior Manager, Macroeconomics/Finance

The Central Bank of Trinidad and Tobago (CBTT) is widely respected as a monetary policy authority and guardian of financial stability grounded in international best practices. As a knowledge-based institution, the Central Bank will provide visionary and dynamic leadership and work to position Trinidad and Tobago as the financial centre of the region.

The CBTT is seeking to recruit a dynamic individual, with a proven track record as a strong, inspiring leader with the ability to effectively function as a member of the Senior Management team. Under the direction of the Governor, the Senior Manager Macroeconomics/Finance will contribute to the strategic direction and leadership of the organisation.

The incumbent will advise on economic policy issues in the areas of monetary policy, macroeconomic analysis and research, financial stability and the operation of financial markets and capital market development. He/She must demonstrate proficiency with stakeholder management and diplomacy, having the ability to clearly communicate, both orally and in writing, with technical/non-technical audiences and domestic/international agencies.

Key Accountabilities:

- Contribute to the strategic direction of the Bank actively participating as a member of the Bank's senior management team assisting in the formulation of strategy and policy and playing a key role in projects/ activities impacting all of the Bank's operations.
- Provide advice to the Bank on economic policy issues and the economic research agenda in the areas of monetary policy, financial stability and the operation of open market operations and capital market development.
- Oversee the publication of major technical (economic and financial) reports and the dissemination and communication to stakeholders and members of the public.
- Provide advice on investment decisions in relation to the management of reserves.
- Develop and foster relationships with relevant institutions; function as a key member of a number of Bank committees and external committees representing the Central Bank on economic issues.

Skills & Experience:

- Post Graduate Degree in Economics or Finance or a professional certification in a related field (ACCA, CFA, CMA).
- 12+ years experience in the field of macroeconomics, finance or related discipline.
- Minimum of 5 years in a senior management role.
- A proven track record of financial expertise in macroeconomics and finance areas such as accounting, budgeting, banking or insurance operations.
- Experience in research institutions, financial institutions, investment banking, international agencies are an asset.

Applicants should also have:

- A clear understanding of financial services and banking operations and an appreciation of the vision and remit of CBTT.
- Demonstrated success and drive in leading technical teams and guiding complex projects.
- Versatility to take on new challenges with other specialists and mentor and motivate staff.
- An understanding of, and the ability to apply basic scientific principles in research and analysis.

The Bank offers an attractive remuneration package which includes a Group Health Plan, Pension Plan, Employee Savings Plan and other benefits.
