Governor Hilaire at the Preparing Mozambique for Natural Gas Workshop

March 27-28, 2019

Mozambique

Governor Alvin Hilaire was one of the featured speakers at the “Preparing Mozambique for Natural Gas” workshop, hosted by the Bank of Mozambique and the International Monetary Fund from March 27-28, 2019.

Governor Hilaire shared his insights on the **Practical Experience and Lessons from Trinidad and Tobago on Sovereign Wealth Funds** on Day One of the workshop, which was held at the Bank of Mozambique’s Head Office in the capital, Maputo.

Governor Hilaire’s presentation, which covered Trinidad and Tobago’s Heritage and Stabilization Fund as well as Experience and Lessons for Setting up a Sovereign Wealth Fund, is available for download via the Central Bank’s website at <https://www.central-bank.org.tt/sites/default/files/presentations/swfs-trinidad-and-tobago-experience-march-2019.pdf>.

For more on the conference visit the Bank of Mozambique’s website at <http://www.bancomoc.mz/>.

Questions or comments on Governor’s presentation may be shared with us via info@central-bank.org.tt.
