

HAPPY GLOBAL MONEY WEEK 2025!

MARCH 17-23, 2025

Global Money Week 2025

Global Money Week is a catalyst for empowering children and youth to master the art of responsible money management. This year's theme, **Think Before You Follow; Wise Money for Tomorrow**, is not just a slogan, but a call to action. It encourages individuals to mindfully consider their financial decisions and the influences they encounter in the digital age, underscoring the importance of every financial choice we make.

CBTT Celebrates GMW 2025

As part of our public education and outreach thrust, the Central Bank of Trinidad and Tobago is thrilled to once again collaborate with key industry stakeholders to provide an exciting learning expo for our nation's youth. **This year, which marks our 7th year of celebrations, we are engaging approximately 600 students from primary and secondary schools across Trinidad and Tobago, joining a global movement that spans over 100 countries.**

Through our expo, we aim to make a lasting impact on our youth –inspiring them to adopt responsible money management practices, identify emotional triggers that influence their spending, and cultivate a discerning approach to the sources of information they encounter.

Thank You

We extend our heartfelt thanks to the Ministry of Education and all participating primary and secondary schools, the Roxborough Anglican Primary School, Servol and the financial sector representatives for their invaluable contribution to this year's celebrations.

Stay tuned to our social media pages for highlights of our exciting celebrations this week!
