

Following the successful staging of **Pan Jazz on the Plaza**, the Central Bank of Trinidad and Tobago's major CSR initiative for 2024, on Sunday, September 22, and consistent with our Corporate Social Responsibility Policy, the Bank will donate **\$60,000** each to the **Alzheimer's Association of Trinidad and Tobago** and the **National Centre for Persons with Disabilities**, representing proceeds from ticket sales from the event and in honour of the Bank's 60th Anniversary.

We extend our heartfelt gratitude to these exceptional organisations for their tireless work in our community. Their dedication to improving lives is truly inspiring. The Bank is grateful for the partnership with these outstanding charities and the support of our CBTT family and the public that made Pan Jazz on the Plaza an unforgettable evening of music, wine, and cheese for a cause.

We encourage you to continue supporting these noble causes.
